

AEC-AMC2-UL2 Enclosure with 2 DIN rails

www.boschsecurity.com

BOSCH

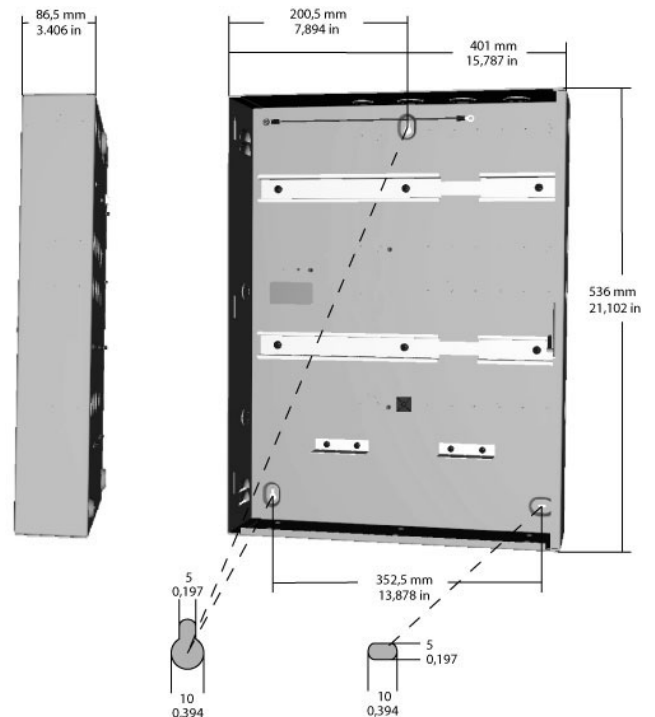

Invented for life

This enclosure has been produced in accordance with UL guidelines and is used for securely mounting and housing the AMC2, extensions and the power supplies (e.g. PSU-60).

Installation/configuration notes

The external dimensions and distances for the securing screw holes are shown in the following diagram:

The enclosure is designed for installing two devices (AMC2 or AMC2 xl-xO-EXT), two power supplies (PSU-60) and two batteries.

Parts included

Quantity	Component
1	housing with pre-assembled cables
1	cable set - partially pre-assembled
3	cable ties (short) for securing the cables
3	screws and screw anchors for wall-mounting
1	Installation description

Technical specifications

Output voltage optional 12V or 24V
